This year celebrates our 68th ice show. Be sure to mark *Saturday April 2* on your calendar. The club will present 2

performances, 1:30 pm and 7:00 pm.

Fees for CanSkate members was included in your membership fees at registration. Information regarding ice show fees to cover costuming, ice time and coaching fees for Starskate members will be available soon.

Rehearsals for ice show will begin in March. Watch the March newsletter for details.

Thanks to all the parents who have indicated a commitment from their skater(s) to participate in our annual ice show. If you have not already done so, check at the club table for participation checklists posted behind club table. Skaters from across our region came together at the Jack Burger Complex in Port Hope for the 2016 edition of the Northumberland Durham Interclub event. WINTERSKATE 2016
CO-HOSTED BY ORONO FSC AND BOWMANVILLE FSC
JANUARY 29-31 SOUTH COURTICE ARENA

It was an extremely busy weekend for the skaters, coaches, board members and volunteers as we hosted over 590 skaters plus coaches, officials, parents and family members at the South Courtice Arena for three days of skating competition.

Words do not do justice to the efforts of our club. For many volunteers it was their first time attending a Skate Canada Eastern Ontario event and their first time working behind the scenes of a large skating competition. To the local businesses who supported the club with donations of food and supplies, many thanks!

In addition to volunteering at the event, skaters from our club competed in a number of events. Congratulations to our competitors!
